Count them now with me.

## *Blowing Bubbles*

Dip your pipe and gently blow.

Watch the tiny bubbles grow

Big and bigger, round and fat,

Rainbow-colored, and then - splat!

## *Crackers and crumbs*

Crackers and crumbs,

Crackers and crumbs.

These are my fingers,

These are my thumbs.

These are my eyes,

These are my ears,

They'll all grow big,

In the next ten years!

## *I Love Colors*

I love colors, yes I do!

Red and orange and green and blue!

I love colors, dark or bright,

Yellow, purple, black and white!

## *Good Morning Early Bird*

Good morning early bird, tiny delight.

Where are you going, so busy and bright?

To school in the meadow, I'll add up the seeds,

And study the spiders, and measure the weeds!

## *Creeping*

Creeping, creeping, creeping,

Comes the little mouse.

Now it runs back down again

To its little house!

## *Thank You*

Thank you for the bread on the table,

And our family who loves us.

Thank you for the trees,

The birds,

The shining sun,

And the beauty all around us.

## *I'm Thankful*

I'm thankful for my friends at school,

Friends at school, friends at school.

5 little ducks went out one day over the hills and far away.

Mother duck said, "quack, quack, quack, quack,"

But only 4 little ducks came back.

4 little ducks went out one day over the hills and far away.

Mother duck said, "quack, quack, quack, quack,"

But only 3 little ducks came back.

3 little ducks went out one day over the hills and far away.

Mother duck said, "quack, quack, quack, quack,"

But only 2 little ducks came back.

2 little ducks went out one day over the hills and far away.

Mother duck said, "quack, quack, quack, quack,"

But only 1 little duck came back.

1 little duck went out one day over the hills and far away.

Mother duck said, "quack, quack, quack, quack,"

But no little ducks came running back.

Sad Mother duck went out one day over the hills and far away.

Mother duck said, "quack, quack, quack, quack,"

And all of the 5 little ducks came back.

## *All The Leaves*

All the leaves are falling down,

Falling down, falling down.

All the leaves are falling down,

It is fall time.

They are yellow, red and brown,

Red and brown, red and brown.

They are yellow, red and brown.

It is fall time.

Take the leaves and crunch them up,

Crunch them up, crunch them up.

Take the leaves and crunch them up!

It is fall time.

## *Leaves Are Falling*

Leaves are falling,  
Leaves are falling,  
One fell on my head!  
Leaves are falling,  
Leaves are falling,  
Yellow, orange, and red.

## *Leaves, Leaves Falling Down*

Leaves, leaves falling down  
Falling on the ground,  
Red, yellow, orange, brown  
Falling on the ground!

## *Snowflakes*

Snowflakes, snowflakes

Dance around.

Snowflakes, snowflakes

Touch the ground.

Snowflakes, snowflakes

In the air.

Snowflakes, snowflakes

Everywhere!

## *It Is Snowing*

It is snowing, it is snowing

All around, all around.

Soft and quiet snowflakes,

Soft and quiet snowflakes,

Not a sound, not a sound.

Water for the flowers, water for the tree,  
Water for the bird, water for the bee,  
Water for the rivers, and water for the sea,  
Water for the world, and water for me!

## ***3 Little Fish***

3 little fish, 3 little fish.  
See how they swim, see how they swim.  
Round and round, so fast they go.  
Now they are going very slow.  
3 little fish, 3 little fish.

## ***I'm A Little Fishy***

I'm a little fishy, I can swim.  
Here is my tail, here are my fins.  
When I want to have fun with my friends,  
I wiggle my tail, and dive right in!
